No. 928.—Under clause (a) of section 151 of the Madras Local Boards Act, 1894, the Governor in Council is pleased to make the following alteration in rule 34 of the Local Board Rules contained in the notification published on page 7 of Part I-A of the Port St. George Gazette, dated 1st February 1897, as modified by notification No. 1180 published on page 245 of Part I-A of the Port St. George Gazette, dated 17th November 1903. The Governor in Council further directs under section 145 of the said Act that the alteration shall come into operation in all districts on 1st August 1910:—

"In the addition to clause (2) of rule 35 as modified by notification No. 1180, published at page 250 of Part I-A of the Port St. George Gazette, dated 17th November 1903, for the words '1,500' wherever it occurs substitute '2,500'."

No. 929.—Under clause (b) of sub-section (1) of section 253 of the Madras District Municipalities Act, 1884, the Governor in Council is pleased to make the following rule to be substituted for rule 3 of the rules issued in G.O., No. 154 M., dated 22nd January 1890, as modified by notifications Nos. 32, 760 and 1187, published on pages 28, 382 and 368 of Part I-A of the Port St. George Gazette, dated 16th February 1901, 14th October 1896, and 17th November 1903, respectively. The Governor in Council further directs under section 255 (3) of the said Act that the revised rule shall come into operation in all districts on the 1st August 1910:—

"3. In the case of sanitary works all plans and estimates shall, if the amount of the estimate exceeds Rs. 500 but does not exceed Rs. 9,500, be submitted for the approval of the Sanitary Engineer. If the amount of the estimate exceeds Rs. 9,500 it shall be submitted through the Sanitary Commissioner and the Sanitary Engineer for the approval of the

"Sanitary Board. After approval by the Sanitary Board, estimates costing Rs. 10,000 and less shall be sanctioned professionally by the Sanitary Engineer and those above that sum shall be submitted to Government in the Local and Municipal Department for the approval and sanction of Government.

"*Expenditure.*—(c) The term sanitary work includes—

- "(1) hospitals, dispensaries, markets, slaughter-houses, latrines, incinerators, urinals, and cess-pits;
- "(2) works connected with water-supply;
- "(3) works relating to drainage.

"(d) The limits of Rs. 500 and Rs. 2,500 laid down in this rule do not include the cost of site.

"(e) The above rule does not apply to repairs which do not involve any important structural alterations."

No. 800.—Under the provisions of section 6 of the Indian Tramways Act, 1880, the following draft of a proposed order authorizing the construction and maintenance of certain tramways by the Madras Electric Tramways Company (Limited), London, the present proprietors of the Madras Electric Tramways, and regulating the working of such tramways in the City of Madras is published for general information. Notice is hereby given that any objection or suggestion which any person may desire to make with respect to the order will be considered, if submitted on or before the 1st July 1910.

*Draft Order authorizing the construction and maintenance of certain tramways and regulating the working of such tramways in the City of Madras.*

WHEREAS a notification under the provisions of section 6 (4) of the Indian Tramways Act, 1880, of an order of the Government of Madras, dated 6th April 1893, No. 648 M., authorizing the construction by Messrs. Hutchinson & Co., London, of Tramways in the City of Madras, was published in the Port St. George Gazette of the second day of August 1893.

AND WHEREAS by such order, Messrs. Hutchinson & Co., of 25, Cannon Street, Strand, in the County of Middlesex, East India Merchants and Bankers, by whom a Joint Stock Company was about to be incorporated and registered in England with a nominal capital of £100,000 divided into 100,000 shares of £1 each and such Company when incorporated and registered were declared to be the promoters for the purposes of such order and were, in such order, referred to as "The Promoters."

AND WHEREAS it was by such order declared that the said promoters might construct and maintain, subject to the provisions of the said order, the tramways therein described, the routes of which were shown on the maps deposited by the said promoters with the Local Government and the Municipal Commission for the City of Madras, respectively, with all proper rails, chains, poles, sleepers, trestles, crossings, sidings, junctions, passing-places, turn-tables, weigh-bridges, weighing-machines, hydrants, offices, workshops, sheds, stables, buildings, carriage-houses, engine-houses, ware-houses, works and conveniences connected therewith or for the purposes thereof and might work and use the same.

AND WHEREAS the Madras Electric Tramways Company, Limited (hereinafter referred to as "the Tramways Company"), was incorporated in the year 1892 as a Company limited by shares under the Companies' Acts, 1862 to 1890, with the object of acquiring the concession granted by the Municipal authorities of Madras by an order, dated the 24th day of November 1891, and approved by the Madras Government under the then existing order, in accordance with the Indian Tramways Act, 1880, for the construction of tramways in Madras and for the purpose of carrying out the construction of the said tramways and of working the same when so constructed and of borrowing or raising money on mortgage or in such other manner as the Tramways Company should think fit and, in particular, by the terms of debentures charged upon all or any of the property both present and future of the Tramways Company.

AND WHEREAS by a deed made between Sir Daniel Cooper and James William Barclay therein described of the one part and the Electric Construction Company, Limited, whose registered office is at Dashwood House, No. 9, New Broad Street, in the City of London (hereinafter referred to as "the old Company"), of the other part all the real and personal property and assets (other than the nominal capital) of the Tramways Company and including the benefit of the said concession granted by the said order of the Government of Madras, dated 6th April 1893, No. 648, became vested in the old Company.

AND WHEREAS by virtue of an Indenture dated the 31st day of May 1904 made between the old Company of the one part and the Madras Electric Tramways (1904), Limited, (hereinafter in these orders referred to as "the Company") of the other part all the tramway undertaking of the old Company at Madras including the tramways and the equipment thereof and also all and singular the concessions granted by the said order of the Government of Madras, dated 6th April 1893, No. 648, were and became vested in the Company.

AND WHEREAS a notification under the provisions of section 6 (4) of the Indian Tramways Act, 1880, of an order of the Government of Madras, dated 28th January 1905, No. 125 E., authorizing the abandonment by the Company of certain lines and the construction of the other tramways in the City of Madras was published in the Port St. George Gazette of the 29th January 1905.

And whereas the Company in pursuance of the provisions of the Indian Tramways Act, 1880, has applied, with the consent of the Corporation of Madras, for further powers to construct, maintain and use in Madras the additional tramways hereinafter mentioned:

And whereas the Government of the Presidency of Madras being for the purpose of this order the Local Government within the meaning of the said Act, deem it expedient that the further powers so sought should be granted to the Company upon the terms and subject to the conditions and provisions hereinafter contained, that it is hereby ordered, that it is hereby ordered:

1. *Short title and commencement.*—(i) This order may be called and cited as "the Madras Tramways Order, 1910";

(ii) It shall come into force at once.

2. *Incorporation of Act.*—The provisions of the Indian Tramways Act, 1880, and of any existing statutory modifications thereof respectively in far as the same are applicable to this order, are to be deemed incorporated with and to form part of this order.

3. *Interpretation.*—The several words, terms and expressions to which, by the said Act, meanings are assigned here, in this order the same respective meanings, unless there be something in the subject or context repugnant to such construction or unless herein otherwise provided.

Provided that in this order—

the expression "Corporation" shall mean the Corporation of Madras;

the expressions "the Tramways" and "the undertaking" shall (unless where any particular tramway is referred to by name or number or the case may be) mean the tramways and the works and undertaking, the construction, maintenance and use of which respectively are by this order, authorised;

the term "carriage" shall include "trunk";

4. *Promoters.*—The Madras Electric Tramways (1904), Limited, whose registered office is at Deewood House, No. 2, New Broad Street, in the City of London, shall be the promoters for the purpose of this order and is in this order referred to as "the promoters";

5. *Acquisition of lands.*—The promoters may, by agreement, from time to time, purchase or take on lease or otherwise acquire such lands as the promoters may require for the purpose of the undertaking and may, from time to time, sell or dispose of any such lands which may not be necessary for any of such purposes.

#### CONSTRUCTION OF TRAMWAYS.

6. *Construction, etc., of tramways.*—The promoters may, subject to the provisions of this order, construct and maintain the tramways hereinafter respectively described, the routes of which are shown on the maps deposited by the promoters with the Local Government and the Corporation, respectively, with all proper rails, chairs, plates, sleepers, turnouts, crossings, sidings, junctions, passing-places, bow-tables, weigh-bridges, weighing-machines, hydrants, offices, workshops, sheds, stables, buildings, carriage houses, engine-houses, warehouses, works and conveniences connected therewith or for the purposes thereof and may work and use the same.

7. The tramways authorised by this order are—

*Tramway No. I.*—Commencing by a junction with the existing tramway at Customs House and proceeding along North Beach road to Tiden House, thence west to Main road, thence north and terminating in a loop round St. Peter's Church, Baya parish.

*Tramway No. II.*—Commencing by a junction with the present tramway at the north end of Popham's Broadway and proceeding in a westerly direction along Old Jail Street to Tiruvottiyar High road, then north along the said road to the railway crossing.

8. *Tramways to be constructed.*—The tramways shall be constructed and maintained in such position in the several roads, and the passing places shall be of such length (not being less than 60 yards each) and shall be constructed and maintained at such places or between such points in the road, as the promoters may, subject to the reasonable approval of the road authority, consider necessary or convenient for the efficient working of the tramways and the promoters may, after the construction of the tramways or any part thereof, construct and maintain, subject to such reasonable approval, all such additional crossings, passing-places, sidings, junctions or extensions thereof and other works as they may, from time to time, consider necessary or convenient for the efficient working of the tramways or any of them or for providing access to any stables, carriage-houses, engine-houses, sheds, depots or works of the promoters and, if the promoters consider it desirable or necessary for the efficient working of any of the tramways, to alter any of the levels or gradients of any of the roads upon which the same are, or may be constructed, or, for the same purpose, to alter, repair or strengthen any of the bridges over which the same respectively pass, the promoters may execute the same out, when constructing the tramways respectively or any part thereof respectively in such road, paving or metalling and the promoters shall, at their own cost, provide sufficient new any of the original paving or metalling having become unsuitable for riding.

9. *Gauging of tramways and level thereof and mode of formation.*—The tramways shall be constructed and maintained on a metre gauge of three feet three inches and three-eighths of an inch or such other gauge not exceeding four feet eight inches and a half, as has been mutually agreed upon between the promoters mentioned in the said orders of the 6th April 1892 and 18th January 1905, and the Corporation with reference to the tramways thereby authorized, and the upper surface of the rails of the tramways shall be level with the surface of the roadway unless otherwise directed or approved by the Local Government and the road authority, and the rails of the tramways shall be such as the Local Government and the road authority have approved and the tramways shall be constructed, laid and maintained according to such general specifications as to the kind of rail, foundations, manner of laying and repair thereof as have been approved by the Local Government and the road authority and the promoters may, from time to time, adopt and apply such improvements in the tramways or any part thereof, including the rails and the situation of the rails and the substructure upon which the same rest as experience may, from time to time, suggest, having regard to the greatest security of the public and advantage to the ordinary traffic.

10. *Time for commencement and completion of tramways.*—The promoters shall commence the construction of tramway No. I within a period of twelve months from the date of this order and shall substantially complete and open for traffic each tramway before the expiration of eighteen months from such date. The promoters shall commence the construction of tramway No. II within a period of eighteen months from the date of this order and shall substantially complete and open for traffic each tramway before the expiration of two years from such date.

11. *Compulsory purchase.*—For the purpose of the power of compulsory purchase conferred upon the local authority by the Land Transfers Act, 1905, the tramway constructed under the said orders of the 6th April 1892 and 18th January 1905 and the tramways to be constructed under this order shall be treated as one undertaking and the power of compulsorily purchasing such undertaking shall be exercisable only at the times and upon the terms prescribed by sections 9 and 12 respectively of the said orders and so that the purchase money payable shall be of the same amount as if the tramways to be constructed under this order had been authorized by and constructed under the said orders of the 6th April 1892 and 18th January 1905.

12. *Power to open and break up roads, etc., and provisions as to construction of tramways.*—The promoters from time to time for the purpose of making, forming, laying down, maintaining and repairing any of the tramways or any part or parts thereof respectively may open and break up any road subject to the following conditions:—

(1) They shall give the local authority reasonable notice of the intention as to do, such notice to state the portion of road proposed to be opened or broken up.

(2) They shall not open or break up any road except under the superintendence and to the reasonable satisfaction of the road authority, unless that authority refuses or neglects to give such superintendence at the time specified in the notice or discontinues the same during the progress of the works. Where the carriage-way over any bridge forms part of, or is a road within the limits of a road, authority, and such bridge is vested in some person or persons, corporation or company distinct from the road authority, any work which the promoters may be empowered to construct and which affects or in any way interferes with the structural works of such bridge shall be constructed under the superintendence and to the reasonable satisfaction of such person or persons, corporation or company unless after reasonable notice given by the promoters before the commencement of such work such superintendence is refused or withheld.

(3) Where the carriage-way is or upon which any tramway is or is proposed to be formed or laid down is crossed by any railway or tramway on the level any work which the promoters may be empowered to construct and which affects or in any way interferes with such railway or tramway or the traffic thereon shall be constructed and maintained under the superintendence and to the reasonable satisfaction of the power corporation or company owning such railway or tramway unless after reasonable notice given by the promoters before the commencement of such work such superintendence is refused or withheld.

13. *Completion of work and reinstatement of road.*—When the promoters have opened or broken up any portion of any road, they shall be under the following further obligations, namely:—

(1) They shall, with all convenient speed, complete the work in respect of which they opened or broke up the road and (subject to the formation, maintenance or renewal of the tramways) set in the ground and make good the surface to the satisfaction of the road authority and clear away all surplus rubbish and materials.

(2) They shall, in the meantime, cause the place where the road is opened or broken up to be guarded and watched and properly lighted at night.

14. *Further provisions as to construction of tramways.*—The promoters shall lay before the Local Government and the road authority a plan or plans showing the proposed mode of constructing and laying down the tramways and a statement of the materials intended to be used therein and the promoters shall not commence the construction and laying down of any of the tramways or any part of any of the tramways respectively until such plan or plans and statement have been approved by the Local Government and the road authority; provided that, if at the end of one calendar month from the time of laying such plan or plans and statement before the Local Government and the road authority respectively, the Local Government or the

and authority, in the case may be, shall not have signified its writing its disapproval, the plan or plans and statement shall be considered approved by such authority or authorities and after such approval the work shall be executed in accordance with such plans or plans and statement and under the superintendence and to the reasonable satisfaction of the road authority, unless that authority refuses or declines to give such superintendence when reasonably required so to do.

15. *Portion of road maintainable and repairable by promoters.*—The promoters shall, subject to any other provisions of this order and of the said orders, dated 23 April 1892 and 15th January 1905, at their own expense, at all times maintain and keep in good condition and repair to the reasonable satisfaction of the Local Government and the road authority, the curbs and substructure upon which the roads rest and so much of the roads wherever the tramways are laid as is between the rails of the tramway road, where two tramways are laid in any road at a distance of not more than four feet from each other, the portion of the road between the tramways and, in every case, so much of the road as is occupied by the substructure. Provided always that, if the promoters fail to comply with the provisions of this section, the road authority, if they think fit, may, at any time after seven days' notice to the promoters or their agent for the time being in Malacca, open and break up the road and do the works necessary for the repair and maintenance or restoration of the road to the extent in this section above mentioned and the reasonable expense incurred by the road authority in so doing shall be repaid to them by the promoters.

16. *Alteration of level of tramways if level of surface of road altered.*—If any road authority hereafter alter the level of any road along or across which any tramway is laid or is authorized to be laid, the promoters shall, on the requisition of the Local Government from time to time alter or (in the case may be) lay their rails so that the uppermost surface thereof shall, subject to any other provisions of this order and of the orders of the 23 April 1892 and 15th January 1905, be on a level with the surface of the road as altered. Provided always that any such alteration as aforesaid shall be so made as to interfere as little as possible with the safe and convenient working of the tramways and, in any case as to stop or prevent the free use of working thereof.

17. *Application of road materials excavated in construction of works.*—Any paving, metalling or material excavated by the promoters in the construction of their works from any road under the jurisdiction or control of any road authority may be applied by the promoters to the use as may be necessary in or towards the widening of such road and the maintenance of the tramways within the district of such road authority and of so much of the road-way of such road as the promoters are, by this order, required to maintain and the promoters shall, if as required, deliver the surplus paving, metalling or material not used or required to be retained for the purposes aforesaid, to such road authority or to such person or persons as such road authority may appoint to receive the same and at such place or places, within the jurisdiction of the Corporation, not extending one mile from the place or places where such surplus paving, metalling or material is excavated and deposited, as the road authority or such person or persons may direct. Provided always that, if within seven days after notice in writing to the road authority or some person or persons to be named by the road authority for this purpose shall not give notice in writing to the promoters or to their agent for the time being in Malacca, to whom and at what place or places as aforesaid such surplus is to be delivered, such surplus paving, metalling or material shall absolutely vest in and belong to the promoters and may be dealt with, removed and disposed of by them in such manner as they may think fit, any difference between the promoters and any road authority or other person with reference to any of the matters aforesaid shall be determined in manner provided by the Indian Tramways Act, 1886, or any subsequent statutory modification thereof, with respect to all differences between the promoters and any road authority.

18. *Rights of authorities, companies, etc., in power-roads.*—Nothing in this order shall take away or abridge any power to open or break up any road along or across which any tramway is laid or any other power vested in any local or road authority for any of the purposes for which such authority is constituted, or in any company, body or person, for the purpose of laying down, repairing, altering or renewing any pipe for the supply of gas or water or any telegraph, wire, wire or apparatus for telegraphic, electric supply or other purposes; but, in the exercise of any such power, such local or road authority and every such company, body and person shall be subject to the following restrictions (that is to say):—

(1) They shall exercise as little detriment or inconvenience as the promoters and their lessees or the rights of user of the tramways or any of them or any part thereof respectively as circumstances admit.

(2) Before the exercise of any such power, whereby the traffic on the tramway will be interrupted, they shall give to the promoters and their lessees (if any) or to their respective agents for the time being in Malacca notice of the intention to exercise such power, specifying the time at which they will begin to do so; such notice to be given 24 hours at least before the commencement of the work.

(3) They shall not be liable to pay to the promoters or lessees any compensation for injury done to the tramway by the exercise of any such power or for loss of traffic consequent thereby or for the reasonable exercise of the powers so vested in them as aforesaid, unless negligence shall be shown.

(4) Wherever, for the purpose of exercising them to exercise any such power, the local authority or the road authority shall so require, the promoters or lessees shall either stop traffic on the highway to which the notice shall refer, where such traffic would otherwise interfere with the exercise of such power or above up and across such highway, at their own risk and cost, during the exercise of such power. Provided that the exercise of any power shall always be completed by the local authority or the road authority, as the case may be, with all possible expedition and any difference as to the propriety of such work shall be settled in manner provided by the Indian Townships Act, 1880 (or any amending statutory modification thereof), for the settlement of differences between the promoters and the Local Government and the local and road authorities.

(5) No company, body or person shall exercise any such power, so far as the exercise thereof immediately affects the highway, except under the superintendence of the promoters, unless they refuse or neglect to give such superintendence at the time specified in the notice for the commencement or during the exercise of such power and every such company, body or person shall exercise every such power at their or his own expense.

19. *Provisions as to gas, water and electric supply companies, etc.*—For the purpose of making, founding, laying down, maintaining, repairing or renewing any of the townships, the promoters may, from time to time, where and as far as is necessary or may appear expedient for the purpose of preventing temporary interruption of the traffic by pipes or works in connection with the same, alter the position of any mains or pipes for the supply of gas or water or any tubes, wires or apparatus for telegraphic electric supply or other purposes subject to the following conditions (that is to say):—

(1) Before laying down or altering any townships in a road in which any mains or pipes, tubes, wires or apparatus may be laid, the promoters shall, if they contemplate altering the position of any such mains or pipes, tubes, wires or apparatus, give seven days' notice to the company, body or person or persons to whom such mains or pipes, tubes, wires or apparatus may belong or by whom they are controlled, of the promoters' intention to lay down or alter the townships and shall, at the same time, deliver to such company, body, person or persons a description of the proposed work. If it should appear to any such company, body or person that the construction or alteration of the townships as proposed would endanger any such mains or pipes, tubes, wires or apparatus or interfere with or impede the efficient working thereof, such company, body or person (as the case may be) may give notice to the promoters to lower or otherwise alter the position of any of the said mains or pipes, tubes, wires or apparatus in such manner as may be considered by such company, body or person necessary and any difference as to the propriety of any such lowering or alteration shall be settled in manner provided by the Indian Townships Act, 1880 (or any amending statutory modification thereof), for the settlement of differences between the promoters and the local and road authorities and all alterations to be made under this section shall be made with as little disturbance and inconvenience to the country, body or persons to whom such mains or pipes, tubes, wires or apparatus may belong or by whom the same are controlled or to the inhabitants of the townships as the circumstances will admit and under the superintendence of such company, body or person or of their or his surveyor or engineer, if any or he think fit to attend after receiving not less than 48 hours' notice for that purpose, which notice the promoters are hereby required to give.

(2) The promoters shall not remove or displace any of the mains or pipes, valves, appurtenances, plugs, tubes, wires or apparatus or other works belonging to or controlled by any such company, body or person or do anything to impede the passages of water, gas or electric energy or the telegraphic or other communication wire or through such mains or pipes, tubes, wires or apparatus, without the consent of such company, body or person or in any other manner that such company, body or person shall approve, until good and sufficient mains, pipes, valves, appurtenances, plugs and other works necessary or proper for maintaining the supply of water, gas, electric energy, or telegraphic or other communication as sufficiently as the same was supplied by the mains or pipes, tubes, wires or apparatus proposed to be removed or displaced shall, at the expense of the promoters, have been first made and laid down in place thereof and be ready for use and to the reasonable satisfaction of the surveyor or engineer of such company, body or person or, in case of disagreement between such surveyor or engineer and the promoters, as an engineer appointed by the Local Government shall direct.

(3) The promoters shall not lay down any such mains, pipes, tubes, wires or apparatus contrary to the regulations of any Act relating to such company or body or relating to the telegraphs.

(4) The promoters shall make good all damage done by them to property belonging to or controlled by any such company body or person and shall make full compensation to all parties for any loss or damage which they may sustain by reason of any interference with such property or with private service pipes of any person supplied by any such company body or person with water or gas.

20. *Temporary townships may be made when necessary.*—Where, by reason of the execution of any work affecting the surface or soil of any road along which any township is laid, it is necessary or expedient temporarily to remove or discontinue the use of such township or any part thereof or when the use of such township is interrupted by floods or other causes, the promoters may, subject to such conditions and in accordance in all respects with such reasonable regulations as the road authority may, from time to time, make, construct, in the same or any adjacent road and maintain, as long as occasion may require, a temporary township or temporary townships in lieu of the township or part of the township so removed or discontinued or the use of which is so interrupted.

## MOTOR POWER.

21. *Steam or mechanical power.*—The carriages used on the tramways may subject to the provisions of this order be moved by animal power, steam power, electricity conveyed either through overhead or underground wires or any mechanical power provided that the exercise of the power hereby conferred with respect to the use of steam, electricity or any other mechanical power shall be subject to the provisions set forth in schedule A to this order annexed and any other rules made by the Local Government which may be necessary for securing to the public all reasonable protection against danger in the exercise of the power by this order conferred with respect to the use of steam, electricity or any mechanical power on the tramways. Provided also that if electrical power be used, communication by the working locomotive telegraph and telegraph lines shall be so arranged as to be subject to the rules made by the Government-General in Council or the Local Government in exercise of the powers conferred by the Electricity Act III of 1903 or by any other legislative enactment for the time being in force.

22. *As to engines and carriages.*—The engines (if any) and carriages to be used on the tramways shall be of the best construction and the dimensions, fittings, appliances and apparatus of such engines (if any) and carriages shall be subject to the inspection and reasonable approval of the Local Government and the local authority and the promoters shall from time to time adopt and apply such improvements in the engines (if any) and carriages and in the fittings, appliances and apparatus thereof as the Local Government may consider necessary or advisable for the safety or convenience of the public.

## TRAFFIC UPON TRAMWAYS.

23. *Traffic.*—The tramways subject to and in accordance with the provisions of this order may be used for the purpose of conveying passengers, animals and goods.

24. *Stopping places.*—The promoters may from time to time, subject to the reasonable approval of the local authority, fix or appoint points or places at distances not exceeding 440 yards apart for the purpose of taking up and setting down passengers, animals and goods, and the promoters shall not be bound unless they think fit to stop the carriages used on the tramways for such purpose at any other points or places.

25. *Carriage of animals, goods, etc.*—The promoters shall not be bound to carry any animals or goods other than passengers' luggage not exceeding 30 pounds in weight and, in case any such animals or goods shall be so carried, it shall be subject to and in accordance with the provisions of this order.

26. *Concessions may be granted.*—The Corporation may during such hours not exceeding 6 in every 24 hours as may be prescribed by the promoters in such manner as the Corporation may think fit (but subject to the rules for the time being in force with respect to the tramways and so as not to interfere with the ordinary traffic on the tramways) with engines and carriages suitable for running on the tramways use the tramways for the conveyance of night-soil, dung, manure, refuse, rubbish (fish and other refuse), sawing stuff, coal, wood, coke, gas and water-pipes and apparatus (road-metals and other materials required for their respective works free of all tolls and charges whatsoever and may for such purposes subject to the provisions of this order use animal, steam, electricity or any mechanical power on the tramways, provided always that it shall not be open to the Corporation to use any other motive power than that used by the promoters and that the promoters shall if required by the Corporation or to do provide motive power for the purpose of moving or propelling on the tramways carriages containing night-soil, dung, manure, refuse, rubbish (fish and other refuse) and sawing stuff at the rate of 8 pence per ton per mile to the extent of 200 tons and no more in every 24 hours or at such other rate and to such other extent as may be agreed upon from time to time between the promoters and the Corporation.

## TOLLS.

27. *For passengers.*—The promoters may demand and take for every passenger travelling upon the tramways, including tolls and charges for the use of the tramways and of engines and for motive power and every other expense incidental to such conveyance, any tolls or charges not exceeding one half-penny per mile or the promoters may, subject to the reasonable approval of the local authority, fix a stage of one mile in length and may demand and take for every passenger travelling as aforesaid any sum not exceeding one half-penny per stage and for the purpose of this section a fraction of a mile or a fraction of a stage shall be deemed a mile or a stage as the case may be; provided always that the promoters may provide two classes of carriages or accommodation for passengers and may in respect of the first or better class of accommodation demand and take in addition to the sum of one half-penny per mile or one half-penny per stage, as the case may be, any sum not exceeding one half-penny per mile or one half-penny per stage, as the case may be.

28. *Passenger's luggage.*—Every passenger travelling upon any of the tramways may take with him or her personal luggage not exceeding 20 pounds in weight without any charge being made for the carriage thereof, all such personal luggage to be carried by hand and at the responsibility of the passenger and not to occupy any part of a seat in any carriage used on the tramways nor to be of a form or description to annoy or inconvenience other passengers.

20. *Tolls for animals and goods.*—The promoters may demand and take in respect of any animals or goods conveyed by them on the tramways, except as is by this order or by the said orders of the 6th April 1892 and 18th January 1905 specially provided, including the tolls and charges for the use of the tramways and for waggon or trucks and for motive power and every other expense incidental to such conveyance, any tolls or charges not exceeding the tolls and charges specified in the Schedule B to this order annexed, subject to the regulations in that behalf therein contained.

21. *Payment of tolls, etc.*—The tolls and charges by this order authorized shall be paid to such persons and at such places upon or near the respective tramways in respect of the use of which such tolls or charges shall be payable and at such times and in such manner and under such rules as the promoters may, subject to the other provisions of this order and of the said orders of the 6th April 1892 and 18th January 1905, prescribe and the promoters may, either on or off the tramways and for such price or prices or other considerations as subject to the other provisions of this order and of the said orders of the 6th April 1892 and 18th January 1905 they may think fit, issue stamps, tickets or tokens, either separately or in quantities, entitling the bearer or the holder for the time being of such stamp, ticket or token to such use of the tramways (for the conveyance of passengers, animals or goods as the case may be) as the promoters may prescribe and it shall be deemed on any such stamp, ticket or token.

22. *Provisional revision of tolls.*—At any time after three years from the opening for public traffic of the tramways or any portion of the tramways or after three years from the date of any order made in pursuance of this section the promoters in writing of the promoters representing the Local Government may in the application in writing of the tolls and charges demanded and taken under the circumstances then existing all or any of the tolls and charges demanded and taken in respect of the traffic on the tramways or on such portion of the tramways should be revised either on inquiry by a referee to be appointed by the Local Government as to such application and if such referee reports that it has been proved in his satisfaction that all or any of such tolls or charges should be revised the Local Government may make an order in writing, altering, modifying, reducing, or increasing all or any of the tolls and charges to be demanded and taken in respect of the traffic on the tramways or on such portion of the tramways in such manner as the Local Government may think fit and thereupon such order shall be observed until the same is revoked or modified by a further order of the Local Government made in pursuance of this section, provided that no such revision of tolls or charges shall be made without the consent of the promoters unless and until the promoters shall have distributed by way of dividend to their shareholders an amount equal to dividend at the rate of 10 per cent. per annum upon the total capital of the promoters expended on the tramways and whether represented by shares or debentures.

#### GAMING.

23. *Power to hold patents.*—The promoters may subject to the provisions of this order (but only for the purposes of the undertaking and not so as to acquire any exclusive rights therein) acquire, hold and use any patent or other rights and any licenses to use patent rights in relation to any apparatus, material or motive power used on or in connection with tramways.

24. *Security for completion of tramways.*—The sum of Rs. 10,000 deposited by the promoters with the Bank of Madras in the name of the Corporation as security for the due compliance by the promoters with the provisions of G.O., No. 135 Hy., dated 18th January 1905, shall be and the promoters shall so long as this order shall remain in force as security for the due compliance remain so deposited with the provisions of this order as well as with the provisions of G.O., No. 135 Hy., dated 18th January 1905. Provided always that all interest accruing to the said sum or the said notes or bonds as the case may be shall, subject as hereinafter provided, be paid to the promoters to the same shall accrue. Provided nevertheless that the Corporation shall be entitled in default out of the sum so deposited and the interest accruing on the said sum or notes or bonds as the case may be or of the proceeds of the sale of the said notes or bonds sum or notes or bonds as the case may be, any amount to which they may be entitled under any of the provisions of the said order. Provided also that upon the failure of the promoters to carry out the undertaking the said sum of Rs. 10,000 so deposited as aforesaid shall be forfeited to and become the property of the Corporation. For the purpose of realising any of such moneys the Corporation shall be at liberty from time to time to sell by public auction or private contract all or any of such notes or bonds as the case may be.

25. *Exemption from certain Municipal taxation.*—As each of the tramways is completed the same and all plant, rolling-stock, offices, workshops, sheds, stables, buildings, carriage-houses, engine-houses, warehouses, yards and depots of the promoters and persons or in relation thereto engaged therein shall, for a period of seven years from the date of such completion, be exempt from all municipal taxation except such lighting rates and water-tax as may from time to time be payable in respect of such offices, workshops, sheds, stables, buildings, carriage-houses, engine-houses, warehouses, yards and depots.

26. *Rent.*—The promoters shall pay to the Corporation rent for the lands occupied by the further extensions hereinafter provided for at the proportionate rate of Rs. 1,200 per annum per mile of tramway for each extension: such rent to become due on the 31st day of December in

each year and the period for which same is calculated to be taken, as regards each section of such premises, from the date on which such section is completed and opened for traffic. If the said rent or any part thereof shall be in arrear for the space of 21 days next after the same shall have become due the promoters shall be liable to pay interest on the amount so in arrear at the rate of 5 per cent. per annum from the date when such rent is arrear payment due.

38. *Lighting*.—The promoters shall throughout the tramways constructed under this order whenever there is a double track of tramways, and the poles for the wires by which the same are worked are consequently in the middle of the road, affix to each of such poles a lamp of not less than 16 candle-power, and shall keep such lamps alight during the same hours and under the same conditions including inspection and penalties as those from time to time in force relating to the lighting of the lamps in the streets vested in the Municipality.

39. *Security of power to borrow on mortgage*.—Nothing in this order shall prevent the promoters borrowing money on the security of its assets of the undertaking or any part thereof or shall make the consent or approval of the Local Government necessary to the validity or effect of any such mortgage; provided that every mortgage of the undertaking shall be deemed to comprise the right to receive all purchase money which may be paid to the promoters in the event of a compulsory sale of the undertaking or any part thereof to the local authority under section 22 of the Indian Tramways Act, 1856, or any amending statutory modification thereof and that any mortgage granted by the promoters shall not be a charge upon the undertaking or any part thereof in the event of the undertaking or such part thereof being purchased by the local authority under section 22 of the said Act or any such modification thereof as aforesaid and that every mortgage deed granted by the promoters shall be entered with notice to that effect.

40. *Power to lease right of user of tramways*.—The promoters may, subject to the provisions of this order, by lease or license demise to any person or persons, corporation or company, the right of user by such person or persons, corporation or company of the tramways or any of them or any part thereof respectively and of demarcating and taking in respect of the same so demarcated the tolls and charges authorized by this order; provided always that in the first instance such lease or license shall not be made for any term exceeding 21 years from the date of the said order of 6th April 1892 and after the expiration of such lease or license any further lease shall be so made as to expire at or before the time or times at which the local authority may exercise the powers of purchase conferred by section 22 of the Indian Tramways Act, 1856, or any amending statutory modification thereof.

41. *Power to assign undertaking*.—The promoters may at any time sell, assign and transfer the rights, powers and authorities conferred by this order, subject to the obligations and liabilities imposed hereby and, upon completion of any such sale, assignment or transfer and notice thereof in writing being given to the Local Government and to the Corporation, respectively, all such rights, powers, authorities, obligations and liabilities or each of them respectively as shall then be subsisting and capable of being effect shall respectively be deemed to be transferred to and vested in and may be exercised by and shall attach to the purchaser or purchasers, assignee or assignees or transferee or transferees, as the case may be, of the promoters in like manner as if this order had been made in favour of such purchaser or purchasers, assignee or assignees or transferee or transferees, as the case may be, instead of in favour of the promoters.

42. *What expenses of Corporation to be paid by promoters*.—The promoters shall be deemed to pay to the Corporation all preliminary, legal and engineering expenses incurred by them in relation to this order not exceeding in the whole the sum of Rs. 2,000.

43. *Promoters to have option of constructing and using further tramways*.—So long as the promoters continue to own or work the tramways or any of them or any part thereof respectively the local authority of any district in which the tramways so owned or worked are laid shall not consent to any application for power to construct further or other tramways or railways in the district of such local authority until the promoters shall have obtained the right which is or may be conferred upon them by section 2 of the Indian Tramways Act, 1856, or any amending statutory modification thereof of obtaining a further order.

44. *Survey of General Acts*.—Notwithstanding anything in this order contained, the promoters and any person using the tramways shall be subject and liable to the provisions of any General Act now in force or which may hereafter be passed relating to tramways or by which traffic conveyed thereon and to any condition, regulation or restriction which may be imposed upon the use of tramways or upon the use on tramways of animal power, steam power or any mechanical power by any such General Act as aforesaid.

45. *How notice to be served on promoters*.—Any notice required to be given by the Local Government or by any local authority or road authority to the promoters may be in writing and may be served on the promoters by being delivered to any agent of the promoters in Madras for the time being or by being left at any office of the promoters in Madras, and every notice so served shall be deemed to have been duly given to the promoters nothing hereinafter

# DEPARTMENT OF INDUSTRIES—REVENUE DEPARTMENT.

## GOVERNMENT SCHOLARSHIPS—1910-1911.

[*Twelfth in Industrial schools under the control of the Department of Industries*]

One hundred and twenty scholarships will be awarded in recognized Industrial Schools and will be tenable in the classes and for the periods mentioned below:—

- 50 Scholarships of the monthly value of Rs. 3-8-0 tenable for one year in Standard C.
- 50 Scholarships of the monthly value of Rs. 3 tenable for one year in Standard D.
- 50 Scholarships of the monthly value of Rs. 2 tenable for one year in the Elementary class.
- 50 Scholarships of the monthly value of Rs. 4 tenable for two years in the Intermediate class.
- 5 Scholarships of the monthly value of Rs. 5 tenable for two years in the Advanced class.

199

The scholarships in Standards C and D and in the Elementary Industrial classes will be awarded on the results of the examinations in Standards B, C and D respectively and those in the Intermediate and Advanced classes on the results of the Government Elementary and Intermediate Technical Examinations respectively. No scholarships will be awarded on the results of the highest examination in any subject.

The conditions of award are as follows:—

1. The candidate shall previously have been a student at the time of the examination and at least one year previously in a recognized Industrial School. Scholarships in industrial subjects will uniformly be given only to members of the action units or to others when females are already engaged in the trade.
2. The age of the candidate at the time of the examination shall not have exceeded 16 years in the case of Standards C and D and Elementary examination class and 18 years in the Intermediate and 22 years in the Advanced examination classes. In the case of Mohammedan candidates the age limit will be raised by two years.
3. The scholarship in a given subject shall be awarded to the candidate who obtains the highest number of marks in that subject, provided that he has passed in the first class. Scholarships may also be awarded at the discretion of the Director to other pupils of promise whose pecuniary circumstances are certified by the head of the school to be such as to prevent them from prosecuting their studies without assistance. The choice of those sections of applicants who are most in need of aid, will, other conditions being satisfied, be first considered.
4. Candidates who are preparing for a group certificate or a diploma shall have preference over those who are studying single subjects only.
5. No student shall be allowed to hold at the same time more than one scholarship. If eligible for more than one, he shall elect which he will hold, and the scholarship then set free will be awarded to the next most deserving student.
6. The candidate shall bind himself to prosecute his studies in the subject in which he has passed and for which he is to receive a scholarship in a recognized Industrial School.

## General Regulations.

All applications for scholarships awardable under this notification should be submitted to the Director of Industries, Madras, by the corresponding date of the institution in which the pupil studied in 1910, through the corresponding of the institution in which he intends to study, on printed forms which may be obtained from the Director. All applications should be dated. Separate forms should be used for each grade of scholarship. If one form is not large enough, the list should be continued on another form.

2. The applications should reach the Director within three weeks of the publication of this notification, or of the publication of the results of the Government Technical Examinations on which the scholarships are awarded, if such results are published after the date of the notification. Those submitted after the prescribed date, will be liable to rejection for that reason.

3. Any scholarship granted in the course of the period for which it is tenable may be awarded for the remaining period to an eligible applicant in the same year of study as the holder of the scholarship vacated.

4. The names of selected candidates will be notified by the Director in the Port St. George Gazette.

5. Holders of institutions may grant leave without discontinuance or loss of scholarship for a period not exceeding one month to students who are absent in consequence of severe sickness, but if the leave exceeds this period, no allowance is to be granted for the absent period. Casual leave without discontinuance or loss of scholarship may be granted for good and sufficient reasons for a period not

detaching fifteen days in the year, provided such leave does not immediately precede or succeed granted holidays. Under the above conditions, leave for scholarship holders may be sanctioned by the head of the institution, but should be reported to the Director. If a scholarship-holder absents himself without good cause on the re-opening day after the vacation for the institution, the scholarship for the vacation is liable to be withheld at the Director's discretion.

6. No person receiving a scholarship under this notification shall be permitted to hold another scholarship provided wholly or partially by Government without the special sanction of the Director. Such sanction will be accorded only for very distinguished merit.

7. Where the order of merit cannot be clearly ascertained, the Director may at his discretion order a further competitive examination among those who are eligible for scholarships.

8. All scholarships tenable under the above rules are liable to forfeiture, for idleness, misconduct, irregularity in attendance or failure to make due progress or to secure annual promotion.

9. A scholarship held in any class shall run from the beginning of the month in which the holder joins the class and shall end unless to be drawn after he ceases to attend the class. The scholarships are payable monthly.

10. In all cases where poverty has been made a condition of award, applications will be summarily rejected unless the evidence of poverty such that but for the scholarship the applicant could not continue his studies, is thoroughly satisfactory.

11. In addition to the register required to be maintained under rule 10 of the Madras Educational Rules an acquittance roll containing the following information shall be maintained by the heads of the institutions concerned and shall be produced at the time of the departmental inspection of the institution—

- (1) Number.
- (2) Name of scholarship-holder.
- (3) Standard of scholarship.
- (4) Monthly value of the scholarship.
- (5) Period tenable.
- (6) Number and date of the order in which the scholarship was sanctioned.
- (7) Month for which the scholarship bill was drawn.
- (8) Date of commencement of the bill.
- (9) Date of disbursement of the scholarship money.
- (10) Signature of the scholarship-holder.
- (11) Remarks.
